As we have been discussing in recent "temple talks," there are several committees that meet from time to time and help to support the mission and work of our church. These include:

Church Council – Members of the Church Council work together to guide, coordinate, and support all aspects of worship, service, and education for Ebenezer's members and the larger community as well. The Council meets monthly at church and is led by co-presidents Don Evans and Sandi Dunnack.

I am interested in learning more about the Church Council and how I can help.

Worship & Music – This group works with the minister and ministers of music to coordinate all aspects of worship and music in the church including special events and services.

I am interested in joining this committee.

I would like to support the work of this committee by helping with a special project or event.

Christian Education – Members of this committee collaborate to identify the educational needs of children, youth, and adults in the congregation and then use this information to make plans.

“As each one has received a gift, use it to serve one another as good stewards of God’s varied grace.” ✞ I Peter 4:10

As a community of faith, the members of Ebenezer Lutheran Church share a passion for making positive changes in the world. Through worship, service, and education, we grow our relationship with God and one another. Everyone in our community benefits when we all put our time and talents to good use, so thank you in advance for prayerfully considering how you might lend your hands to do God’s work at Ebenezer.
